Important:

- Please read pages 4 & 5 in the convention brochure before completing this form. Incorrect information may result in a delay in processing your requests.
- Once the brochure is received in the mail, registration forms may be submitted by mail or online.
- List your class choices in the grid below, **including seminars and mini-bonus classes**, in the **ORDER OF PREFERENCE** regardless of day or time. *Example: SA423 or THMB06* Seminars and mini-bonus classes do not count towards your class hours.
- Logically, if you will not attend the convention on one or more of the days, do not list classes for those days.
- Do NOT list any class you are not willing to take!!
- Making only 3 or 4 selections does NOT insure that you will be assigned to a class.
